# Privacy Policy

Your privacy is important to us. This policy explains how we collect, use, and protect your data.

## 1. Information We Collect

We may collect personal information such as name, email address, and preferences to improve your experience.

## 2. How We Use Your Information

We use the collected data to provide personalized news, improve services, and send notifications.

## 3. Data Protection

Your data is stored securely and is never shared with third parties without consent.
